

The City of Raleigh rolled out the new bikeshare program, Citrix Cycle, with a soft launch on March 16. Approximately 100 bikes were available in downtown areas with riders biking 291 miles and taking 156 trips in just two days! The full system launch, expected later this spring, will include 300 bikes across 30 stations.

Want to catch a ride? Prospective users can rent a Citrix Cycle one of three ways: 1) go online at CitrixCycle.com, 2) download the Citrix Cycle app, or 3) access one of the 15 stations payment kiosks. Memberships are available including:

- Single trips at \$2
- A daily pass at \$6
- A monthly membership at \$20
- And an annual membership at \$85

Discounts are available for students and low-income users. Each membership includes unlimited 45-minute trips. Information about the Citrix Cycle program, including membership options, active and future stations, and payment kiosk locations can be found on the [Citrix Cycle website](#) or on the Citrix Cycle app.
